

Grid1One Commodities Group provides reliable, low-cost energy package solutions to its clients - from residential homeowners to cooperative communities throughout New York City. With dramatic reductions in your monthly utilities and the endless benefits of our member programs, including amazing discounts on other products and outstanding services to make your life more convenient, Grid1One offers the highest level of customer service and satisfaction.

A Powerful Partnership Begins

Grid1One is much much more than an Energy Service Company. Grid1One Commodities Group brings together its members, advertisers, affiliates, and sponsors in a remarkable synergy to provide a viable solution for energy savings and commerce in the New York City community.

In addition to offering more than 20% savings on monthly utilities, Grid1One connects its members to qualified merchants, charities, and advertisers offering exclusive discounts on products - home appliances, fuel, consumer electronics - and services - telephone, cellular, and more.

And the benefits are unparalleled. From substantial savings on electricity bills to convenient access to a complete suite of products and services, Grid1One is actively building an online community to help its members save money *and* conserve energy.
