

Grid1One Commodities Group is a certified Energy Service Company, providing reliable, cost-effective utility services to New York City residents, businesses, cooperatives, and condominium communities through ConEdison. In addition to significant savings - over 20% - with every energy bill, Grid1One offers its membership and affiliates a wealth of products, services, and resources through its active online community.

A Powerful Partnership

As an Energy Service Company in the ConEdison territory, Grid1One Commodities Group is positioned to be a compelling participant in the resale of utility services to its rapidly growing membership, optimizing a profitable-opportunity created by energy de-regulation in New York City.

Leveraging consolidated buying power, Grid1One offers its members substantial savings and rebates on electricity and natural gas service as well as a variety of other products and services available through the growing base of retailers and affiliates that are part of the Grid1One community.

The revenue stream of Grid1One is diversified through its member subscription base, advertising and marketing opportunity sales, group benefit programs, and additional services. Grid1One Commodities Group is firmly dedicated to providing the highest caliber of customer service and satisfaction to realize the lifetime value of its clients and affiliated business partners.
